## Description

High quality **15W** universal power supply for fast and safe charging. The power adapter is compatible with all devices powered by **5V/3A**. The power supply is offered along with a set of **8 interchangeable plugs** of different sizes, among which there are plugins for the most popular devices on the market, including the **micro USB** plug. The **AK-TB-07** power supply is especially recommended for people who want to power multiple devices with one power supply. If needed, just plug in the power adapter to adapt the power supply to a whole new range of devices in just a moment.

The **1.8m** long power supply cord is equipped with a high quality **ferrite filter**, which minimizes possible interference from the mains. The OVP, OTP, OPP, SCP and OCP security suites provide 100% secure, stable operation for both power supplies and the power supply itself. Lightweight design allows you to use your tablet or smartphone comfortably while charging it.
