

Art No. UA0102

Power Docking Charger and Stand for iPad®, iPod®, iPhone®

Specification:

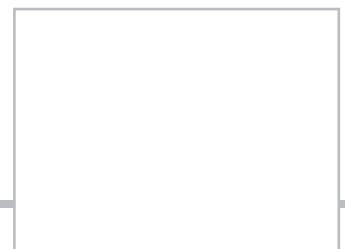

- This dock charger holds the iPad/iPhone/iPod in an upright, vertical position during charging.
- Supports an optimal position of the iPad, e.g. when writing emails or for photo and video shows.
- The back side of the dock charger allows a passive horizontal position of the iPad (charging only via an additional charger cable, e.g. Logilink Art no. UA0094 + 2.1A USB AC adapter).
- Set the iPad on the dock connector of the dock charger and plug the integrated USB cable in an appropriate USB AC adapter (Output: 5.1V or 5V/ 2.1A). The charging adapter is not included.
